### Our Handwriting Style

#### Helpful Tips:

- ❖ Individual letter shapes have to be learnt before all the letters in words are joined together.
- ❖ Every letter starts on the line with an entry stroke.
- ❖ Encourage a correct pencil grip.
- ❖ A comfortable posture is important.

Whenever practicing handwriting at home please ensure that you closely observe what your child is doing in order to correct mistakes straight away. It is essential to learn good habits than try to shift bad habits.
